7 Employee(s) on the clock as of: 11:57 AM

- ABIGAIL CERRA
- ANTHONY WOODS
- BRAD RAMEY
- CAMERON SMITH
- CHADRICK FORD
- DAWN CHAFIN
- WILL DEVAULT

It also displays which employees are currently clocked in. This aids in remote management of the store. Keeping all of this information together can give a manager away from the store the ability to see sales and adjust staff accordingly. This leads to better labor and more money in your pocket!!

Real time info allows you to identify trouble areas with the store at a moment's notice. If Avg. Time is getting out of control, adjustments can be made the day of the issue. This helps to increase accountability among assistants and employees.
